They call it "paying your dues" but it's bad to intern for too long because then employers question why you haven't had a real job since graduating. Do you know how many times I have wanted to walk out of my job because it is horrible? I don't know how I'm still sane, but my feeling of self-worth has gone down dramatically.

Convincethemthathiringyoubenefitsthemasmuchasitbenefitsyou—otherw
Feeling fed up, lonely and totally shattered both physically and mentally. Meditate listen to music, take a vacation alone or with a friend or partner, spend time with loved ones, take a class, or escape through watching movies or reading. Unfortunately I'm not back in college because I can't afford it, and I don't plan on attending again because I'm no longer

eligible for aid. I can understand. Unemployment is a downright monster.
