Tired, after flying for what seemed like forever, which to a human is not far at all, the young fly decided to land, get his bearing, and rest, as the sun was about to set. Learning today resembles the entertainment industry: what sells! A reader or an arbiter at a poetry contest or an editor selecting poems for the Besides, he tested his brush in drama. It is this progressive policy of tolerance that won over, as it did repeatedly thereafter, the temporary opposition from conservative and reactionary forces, and laid the foundation of the Japan that was to be.

The Anthology reflects Japanese life and civilization of the 7th and 8th centuries. Manyoshii has long attracted the attention of foreign translators, and there exist several versions of its poems in English, French and German, which deserve high commendation. The common materials in use were fabrics of taku paper-mulberry fibre and hemp.
