Troops serving in Vietnam, both Gulf Wars and Afghanistan have found perennial solace in its message, as have bored teens, and any number of working class would-be pop stars from the provinces. The book shows how the music that the soldiers listened to early on was the music of the late 's and early 's, with its inoffensive lyrics and mainstream world view. But, this is not just a recollection of songs but also of how music came to those serving.

Color:Color.PublishedNovember7thbyUniversityofMassachusettsPress. In personal crises and heartbreak, this short, book demonstrates how music can be an ideal treatment and antidote. Also available for Download at Apple iBooks. I devoured this book. SoundMix:Stereo.It is fitting that one of the photographs the Irish artist Dorothy Cross is showing in the exhibition is an image of brain coral – which simultaneously resembles the interlocking passages of a maze and the grooves of a human brain. I was going to put together a Spotify playlist of the songs mentioned, but someone already made an excellent one.
