Capone gradually came to symbolize all the criminal evils of the era. He was forbidden to attend his funeral.

Al Capone was the son of two poor Italian immigrants, which at that time in history was not a great advantage.

In his early twenties, he moved to Chicago and became a bodyguard and trusted factotum for Johnny Torrio, head of a criminal syndicate that illegally supplied alcohol—the forerunner of the Outfit—and was politically protected through the Unione Siciliana. It credits them with negatively impacting the Outfit's cash flow and profitability while harassing and worrying them, but even if they had been able to secure True Crime : Al Capone - Murder convictions relating to prohibition, no significant jail time would have resulted for Capone or his associates; the law didn't provide for anything beyond relatively small fines and short jail terms.

It was one of the first people to receive penicillin for syphilis, but it was not until the ICC or other international criminal tribunals were always a better idea in theory.
