The adaptation to film Volumes 1-3 very well done, it really captured the tone of the story, of the whole collection. What if there existed a drug that bestowed superhuman cognitive abilities? Anarchist and feminist Emma Goldman is one of the towering figures in global radicalism of the late 19th and early 20th centuries.

OramIjustblownawaybythebetterpresentationoftheoriginalstory? On the philosophical side, the story explores the idea of predestination, free will and how these things can affect the key decisions we make in life. Interesting, but for me, not compelling.
