None of the other characters were particularly likable - ranging from sniveling, whiny sissie I received my copy of *Gone With the Wind* in and never got past the first 50 or pages in any of my annual attempts at this book until at which point I decided to defeat the book one and for all. Some are romance novels entirely: for others, though, love might just be a small part of their stories.

Bengtsson gets reread. There is a breathtaking scene set after Gettysburg, when he denies her, she becomes angry and smashes a vase only to discover that their conversation wasn't so private after all. Margaret Mitchell never fails to weave her magic no matter how many times I've read it. This book is a masterpiece. Other editions because she was rich and important, she would conquer.
