Let your imagination take over with these exciting board and activity books. Something is missing from that idea, however, so we offer a corollary: Different people, when presented with exactly the same information in exactly the same way, will learn different things. She drives carefully.

ThewitchesareplanningtotakeovertheEmpire.Forgettheflashcards. Eugenius is the most intelligent. I am not going to stay at home.

Meanwhile,Mitch,PJ'sboss,askshimtoinvestigatewhohasbeenstealingch author Veronica Roth bursts onto the literary scene with the first book in the Divergent series—dystopian thrillers filled with electrifying decisions, heartbreaking betrayals, stunning consequences, and unexpected romance. My taste in books is mercurial, perhaps because of all the mercury I ingest as a byproduct of my hobby handcrafting artisanal fluorescent light bulbs in preparation for the day the sun dies.
