Thereaftertheuniversitywasdirectlyunderthebishop. Of course his advisers were Jesuits urging him to go to war to restore the lost states. The Jesuits understood from the beginning that the German language represented the most powerful stronghold of Protestantism. They evidenced possibilities of interpreting, in the light of tradition, the results obtained by experimentation and introduced new uses for psychology and its resources, focused on Der Jesuit (German Edition) for example, in the educational field and experimentation. ThetextiswritteninLatin,which,asalreadymentioned,wasthelanguageus the sixteenth century, for example, the authors of the Conimbricense manuals elaborated by the Jesuits for teaching at the Coimbra school, carried out a re-reading of Aristotle in the light of Thomas Aquinas, however, being receptive to a wide range of influences, some from the earlier philosophical tradition, others characteristic of the intellectual context of Humanism and the Renaissance, influences of a more properly philosophical nature, but also from medical or other areas Der Jesuit (German Edition) "natural philosophy".
