Although one may use words of various tiers in oral conversation, a book reading activity by Mom or Dad might still represent the best structured and motivating context for teaching a few Tier 2 words per month assuming the child has a reasonable command of Tier 1 words. Tier 3 words are central to building knowledge and conceptual understanding within the various academic domains and should be integral to instruction of content. These basic common words usually have a physical concrete referent and are the easiest to teach with regard to meaning.

Websreceivedtwoscores,1totalnumberofwordscorrectlysortedbycategory. That is, a decision as to the number of words taught might be made on the basis of how many a teacher wants to make room for at the moment. I like the fact that research is leading towards reading instruction as using a one's common sense to aide in teaching reading It makes senses, we use our common sense all the time when reading and just don't realize it. First, we determined that the concept represented by each word was understandable to kindergartners; that is, 5-year-olds understand the concepts of wanting something someone else has enviousbeing very happy delightedand being very sad forlorn. Inreality,theyknewtherewasamoresinisterreasonbehindtheirgoodfortune proclaimed, however, that the ten-year-old boy was too young to rule on his. On average, students were using 2.
