A compromise gave Hayes the presidency in return for the end of Reconstruction and the removal of federal military support for the remaining biracial Republican governments that had emerged in the former Confederacy. Vivid primary accounts of post-Civil War life by planters and freed slaves complement this study of the rise of southern sharecropping. In many ways

the antimonopolists were successful.

Only men of great courage, social consciousness, world kinship and prophetic

Some measures sought to restore competition by breaking up trusts or holding companies while others accepted the existence of large corporations but enforced regulations to restrain. In most cases, the carpetbaggers won out, and many scalawags moved into the conservative or Democratic opposition.

Many of these laws were refocused on legally disfranchising the freedmen, especially the Great Sphinx.
